# Call For **VOLUNTEERS**

Are you looking for ways to boost your college applications or resumé?  
Do you love to read, work with children or design creative art?

Then your local public library needs YOU!

The Satilla Regional Library System is currently seeking volunteers ages 15 and up to help shelve books, create engaging displays, assist with children's and young adult programming, provide computer support, and to assist with other projects as assigned. Volunteers are especially needed at the Douglas/Coffee County Library, but all six branches are accepting applications.

For more details, please visit your local public library or find us on Facebook at [www.facebook.com/SatillaRegionalLibrary](http://www.facebook.com/SatillaRegionalLibrary).
